Points for Incentive scheme 1st March 2011

Incentive scheme reserved for Scouts and Guides

Requirements from Groups/Units

1. Just recommend Go Camping to your members and families for their outdoor needs.
2. Groups / Units are urged NOT to buy in bulk for their members.
3. Groups/Units will benefit without forking out any money.

Benefits

Members > 10% discount on all non Scouting/Guiding requirements (camping equipment)

Groups/Units > 5 % Commission on non Scouting/Guiding requirements bought by their members at 'Go Camping – the outdoors shop' in Pieta'.

Commissions.

Will consist of vouchers to be used for non Scouting/Guiding requirements only. Vouchers be issued in November of each year so that Groups will have spending power to buy gifts for the Christmas season. However by end of July of each year, Groups/Units will be given a summary of what their members have purchased over the first 6 months of the year.

Vouchers will be valid for 6 months.

How will it work?

On each purchase of non Scouting/Guiding items, Scouts and Guides will be given a 10% discount.

Apart from the fiscal receipt they will also be given a chit stating how much they have spent together with their Group's name listed on it. This is to be handed to the Leader or Guider so that they would have the knowledge of how much their Group/Unit is spending. At the same time these purchases will be recorded on the Go Camping database.

Every six months a report will be generated to show how much the Groups have spent and will be advertised on Go Camping website as well as Scout Keeper and Malta Girl Guide website.

Go Camping binds itself that by the end of November of each year it will send the vouchers by post to the address as indicated in the application form duly filled by the Group scout Leader or Guider if the case may be. It is so very important that each Group/Unit will fill in the registration form to participate in this scheme and start receiving their commissions.

Old Loyalty Card Scheme.

As from 1st March 2011 this will cease to exist for Scouts and Guides.

Stamps and points to Groups will be redeemable with shopping vouchers from Go Camping up to end of June 2011.

Loyalty card points @ .10c each and Group points @ .7c each.

Returned cards will only be accepted in batches of 5 at a time.

Leaders' cooperation is appreciated to send holders with the loyalty card and not returning them in bulk.

Termination of Scheme.

Go Camping reserves the right to terminate this scheme but will give 3 months notice if case may be.
